#### Remarks

**The Fields at Indian Creek is a popular 55+ community for good reason. Amenities, Activities, and an extremely convenient location to name of few of those reasons. The home offers a lovely floor plan with an open concept that encompasses the kitchen, living and dining rooms. Bedroom suites are on separate sides and include individual baths with the Primary bathroom featuring an oversized walk in shower and a double bowl vanity. Hardwood is present in all but the bathrooms and kitchen where tile has been utilized. This homeowner made many upgrades following the original construction for improved enjoyment, enhancement and durability. The front porch is a great place to start your day and the deck is perfect for ending it.**
